Are You: **Updating your architectural binder?**
Updating your Web site?

Unveiling a new product CD?
Pushing a Continuing Education offer?

Then have AP inform an entire market of your resource

Instructions: Complete the section of this response form corresponding with the update information you would like *Architectural Products* magazine to include in an upcoming issue, then simply fax it back to us.

Note: This listing service is free of charge to all manufacturers. While there is no guarantee of publishing we will do the best we can to include your update given space available. It's our pleasure to offer this service.
